Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner made suggestions that Applicants should group the currently claimed inventions from 40-74 into two groups: Group I includes 52-59, 64 and 69, Group II includes the rest of claims. This would make claims to be in a good condition for allowance. The applicant's representative agreed to change the dependency of claim 49, from 75 (non-existence claim) to 48 via Examiner Amendment in the next OA.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
